

# **Formatting requirements**

Biotechnology & Food Technologies Congress + Brewers' School (17–18 March 2026, Saint Petersburg)  
Contacts: biotech-congress@yandex.ru

## **1) Languages**

- Working languages: Russian or English (Greek letters are allowed in formulas).

## **2) File format**

- Submit as DOC/DOCX (use the provided template).
- For abstract submission: attach both Word and PDF versions if required by the committee.

## **3) Page layout**

- A4, portrait.
- Margins: top/bottom 2.0 cm; left/right 2.5 cm.
- Header/footer distance: 1.25 cm.
- Font: Times New Roman, 12 pt; line spacing: 1.0; justified; first line indent (“red line”).

## **4) Title block**

- Title: ALL CAPS, bold, centered.
- Authors: bold italics, centered; underline presenting author.
- Affiliation and e-mail: italics, centered.
- If you provide both Russian and English versions, place the second language block below the first one (10 pt is acceptable for the second language block).

## **5) Figures, tables, formulas**

- Figures: at least 1000 px width.
- Print guideline: 260–350 dpi (for raster images).
- Caption alignment: figures centered; table titles aligned to the right.
- All figures/tables must be referenced in the text.
- Formulas should be centered.

## **6) References**

- References section is placed at the end.
- Citations are numbered in order of appearance in square brackets: [1], [2], ...
- All references must be cited in the text.

## **7) Length & limits**

- Abstract length: maximum 1 page.
- No more than 2 abstracts per author (including co■uthorship).

## **8) Poster recommendations**

- Poster size: A1, portrait orientation (recommended).
- Main font size: not less than 20 pt.
- Suggested poster structure: Introduction → Materials & Methods → Results → Conclusions.

## **9) Submission channels**

- Primary submission method: the online form (link on the website).
- Backup method: send materials by e■mail to biotech-congress@yandex.ru.
